Comments

This IDS includes two groups of references: Group I (Glaze, Diehl, Burger, and Schwab) and Group II (the others). Group I patents were cited consequent to a patent search conducted in Mid-July, 2004 while the Group II patents were cited in an IDS filed with the original submission of the present application. A recent Examiner's Action failed to consider the Group II patents because copies were not submitted with the IDS. However, in the IDS the parent provisional was identified and included copies of the references. The Group II patents are resubmitted in this IDS.
